

Seven Steps for a Daily Christian Walk

One - Acknowledging Our Need

Father, I am spiritually powerless, and apart from Your divine intervention in my life I do not have the ability to be Your man (John 15:5).

Two - Affirming God's Power

Father, You are all-powerful. Only You have the ability to enable me to become Your man (Philippians 4:13).

Three - Tapping into the Power

Holy Spirit, I need You to fill my life today with Your presence and power. Live the life of Christ in and through me today (Ephesians 5:18).

Four - Maintaining Christ's Lordship

Lord Jesus, I willingly relinquish the throne of my life and invite You to once again take control as Lord of my life (1 Peter 3:15).

Five - Experiencing Spiritual Cleansing

Lord Jesus, I am a sinner constantly in need of Your grace and the experience of Your forgiveness. Help me be honest with You today. I will confess, repent, and make restitution where appropriate (1 John 1:9).

Six - Growing in Christ

I will seek through prayer, Bible study, and fellowship to improve my relationship with Christ. On a daily basis I will seek to know and do the will of God (1 Peter 2:2).

Seven - Serving the Kingdom

Lord Jesus, by Your grace and with Your help I will seek to be Your witness in my home, in my neighborhood, in my workplace, and in the world. Live Your life through me today (Acts 1:8).
